

Newberg Urban Area Growth Management Agreement

Adopted by Newberg City Council on July 2, 1979 and Yamhill County Board of Commissioners on June 20, 1979; As Amended by Newberg City Council on November 2, 1998 and Yamhill County Board of Commissioners on December 3, 1998; As Further Amended by Newberg City Council on June 5, 2000 and Yamhill County Board of Commissioners on December 14, 2000.

Preface

Seen from above, the modern city edges imperceptibly out of its setting. There are no clear boundaries. Just now the white trace of the super highway passed through cultivated fields; now it is an asphalt image of streets and buildings. As one drives in from the airport or looks out from the train window, clumps of suburban houses, industrial complexes, and occasional green space flash by; it is hard to tell where city begins or county ends." (Oscar Handlin, "The Modern City as a Field of Historical Study" in The Historian and the City (Cambridge, Mass. 1963, p.1).

I. Introduction

The City of Newberg and Yamhill County recognize the need for coordination and cooperation in the management of growth in and around the Newberg Urban Area. This agreement is formulated in accordance with this principle.

This agreement establishes a process for maintaining ongoing planning efforts, designed to keep pace with growth and change. It is essential that intergovernmental coordination be maintained to assure the citizens of the City of Newberg and Yamhill County that growth occurs in an orderly and efficient manner.

To that end, this agreement sets forth the means by which a plan for management of the unincorporated area within the Urban Growth Boundary will be implemented and by which the Urban Growth Boundary may be modified.

II. Definitions

Area of Influence - An area of land designated by the City of Newberg and Yamhill County that extends one mile outside Newberg's Urban Growth Boundary wherein the County will give the City an opportunity to participate in land use actions to be taken by the County.

Urban Growth Boundary - A line jointly adopted by the City of Newberg and Yamhill County that encircles the City and separates rural and urbanizable land. Newberg's Urban Growth Boundary is shown on the attached map.

III. General

1. Plan Map Conflicts. The 1979 Comprehensive plan Land Use Map adopted by the City of Newberg on July 2, 1979 shall be the plan map for the area within the Urban Growth Boundary, and shall replace conflicting portions of the Yamhill County Comprehensive Plan Map (1974) pertinent to this area. Where said maps conflict, Yamhill County shall initiate the process necessary for consideration of a map amendment.
2. Urban Growth Boundary. In accordance with the comprehensive Plan of the City of Newberg, the jointly adopted Urban Growth Boundary shall define the geographical limits of urbanization. The City of Newberg shall prepare for the orderly extension of public facilities and services within the boundary. -Lands outside the boundary shall be maintained in accordance with the Yamhill County Comprehensive
3. Urbanization. The City of Newberg and Yamhill County shall encourage urbanization within the boundary to occur in an orderly and efficient manner, resulting in a compact, balanced urban center meeting long-term economic and social needs of the residents of the area regardless of political boundaries.
4. Implementation and Coordination. The very nature of planning requires continual refinement of various elements of the Comprehensive Plan. This includes the preparation of implementing ordinances, refinement plans and functional plans. As the Newberg Comprehensive Plan is implemented, the City and County will work together in a coordinated effort to achieve the goals of the Yamhill County and Newberg Comprehensive Plans.
5. Concurrence and Recommendation. The legitimate interests of the City and County overlap within the City's Urban Growth Boundary and Area of Influence. This agreement attempts to resolve these overlapping interests by providing for concurrence of City and County governing bodies for certain decisions and by providing for recommendations of one governing body to the other for other decisions.
 - a. Concurrence. Where concurrence is required, the City and County shall agree upon a decision. If agreement cannot be reached, procedures outlined in ORS 197.300 may be invoked.
 - b. Recommendation. Where a recommendation is required, the City and County need not agree upon a decision. The procedures are these: The right to object to any item referred to a jurisdiction for a recommendation shall be deemed to have been waived unless the referring jurisdiction is notified otherwise within thirty days; the time limit for consideration of items referred for recommendation shall begin to run from the time the item is received by the jurisdiction whose recommendation is being solicited; each jurisdiction shall have standing to appeal the decision of the other governing body.

IV. Term of this Agreement; Amendment

1. The term of this agreement runs from July 2, 1979, to July 2, 1980, and may be extended thereafter by increments of one year. During the term of the agreement or extension, the agreement may be changed by mutual consent of the parties hereto. This agreement is automatically renewed at the end of such term or extension unless either party hereto requests revision of the agreement by so notifying the other party at least ninety days before the end of the current term or extension.

V. Urban Services

1. The City of Newberg is recognized as the ultimate provider of urban services within the Urban Growth Boundary. To this end:
 - a. Special Districts. Before Yamhill County shall create any special district for the provision of utilities, transportation, or other public facilities or services, the matter shall be referred to the City of Newberg for a recommendation. The County shall not act contrary to such recommendation.
 - b. Service Capacity. Development within the Urban Growth Boundary shall not exceed the capacity of existing services.
 - c. Annexation. Annexation shall occur in accordance with the Newberg Comprehensive Plan. Before final action by the City Council on an annexation proposal, the proposal shall be forwarded to the Board of County Commissioners for its recommendation. In order to provide the board with advance notice of reasoning for a proposed annexation, the findings adopted by the City Planning Commission shall be referred to the board following the Commission action.
 - d. Service Expansion Plans. As the ultimate provider of urban services, the City shall prepare and from time to time update utility expansion plans. These plans shall provide a basis for the extension of services within the Urban Growth Boundary and as such shall be referred to Yamhill County for information and comment.
 - e. Roads. The County and City shall cooperatively develop an implementation policy regarding streets and roads within the Urban Growth Boundary which is consistent with the City Comprehensive Plan. Such policy shall include, but not be limited to, the following:
 - (1) The circumstances under which the City will assume ownership of and maintenance responsibility for County roads within the corporate limits.
 - (2) The conditions under which new public streets and roads will be developed within the urban Growth Boundary.

- (3) The conditions under which existing roads designated as future arterial in the City Comprehensive Plan will be improved.
 - (4) The conditions under which County and other roads should meet City standards within the Urban Growth Boundary. Roads should be compatible with City street alignments and extensions. Upon annexation of property, roads adjacent to (and which serve) such property should also be annexed.
- f. The County and the City through its departments shall coordinate their planning efforts and actions that affect land use with those of special districts.

VI. Establishment of the Newberg Urban Area Management Commission

The City of Newberg and Yamhill County do hereby establish the Newberg Urban Area Management Commission (NUAMC) as a hearings officer in accordance with ORS 215.406. The NUAMC shall be composed of the following members:

- Commissioner of the Yamhill County Board of Commissioners designated by the board.
- Mayor or council person of the City of Newberg designated by the Council.
- Member of Newberg Planning Commission designated by the City Council.
- Member of the Yamhill County Planning Commission Designated by the Board of County Commissioners.
- Member of the Newberg-Dundee P.A.C. designated by the Board of County Commissioners.

It shall be the responsibility of the Newberg Urban Area Management Commission to hold hearings, make findings, and present its decision to City and County governing bodies as outlined in this agreement and the by-laws.

VII. Establishment of Land Use Review Procedures

1. Urban Growth Boundary Amendment

Amendment of the Urban Growth Boundary may be initiated by the Yamhill County Board of Commissioners, the Newberg City Council, or by an individual owner(s) of property who request(s) inclusion in or exclusion from the Urban Growth Boundary.

Amendment of the Urban Growth Boundary shall be treated as a map amendment to both the City and County Comprehensive Plan maps.

The joint fee for individual amendment shall be the sum of fees established from time to time by each governing body.

Each application shall include a map and sufficient information to make a decision based on the following factors:

- a. Demonstrated need to accommodate long-range urban population growth requirements consistent with LCDC goals;
- b. Need for housing, employment opportunities, and livability;
- c. Orderly and economic provision for public facilities and services;
- d. Maximum efficiency of land uses within and on the fringe of the existing urban area;
- e. Environmental, energy, economic and social consequences;
- f. Retention of agricultural land as defined, with Class I being the highest priority for retention and Class VI the lowest priority; and,
- g. Compatibility of the proposed urban uses with nearby agricultural activities.

Applications shall be filed with the Newberg Planning Department which shall collect the joint fee and forward the Yamhill County fee along with notice to the Yamhill County Department of Planning and Development. Applications must be complete prior to consideration by the Newberg Urban Area Management Commission.

Applications shall be accumulated and referred quarterly to the Newberg Urban Area Management Commission for a Public Hearing for which at least ten days advance public notice shall be given by publication in a newspaper of general circulation in the County (or published in the territory so concerned--ORS 215.060).

Following the Public Hearing, the NUAMC shall make and forward its findings and decision directly to the governing body of each jurisdiction which shall then make a determination based

upon the facts and record presented at the NUAMC hearing and shall not be required to hold a public hearing thereon.

Nothing included in this process requires or prohibits the City or County from referring the application to its respective Planning Commissions for information.

If the governing bodies do not concur in their final decision within sixty days of referral of the matter to them by the NUAMC, a joint meeting shall be held to resolve differences. If agreement cannot be reached, procedures for resolutions of conflict provided within ORS 197.300 may be invoked.

2. Comprehensive Plan Amendment

- a. Inside U.G.B., but outside city limits. This amendment shall be filed with Yamhill County, and shall otherwise be treated as an amendment to the Urban Growth Boundary.
- b. Inside city limits. The application shall be processed by the City of Newberg and shall be referred to Yamhill County for a recommendation.
- c. Outside the Urban Growth Boundary, but within the "Area of Influence". This amendment shall be processed by Yamhill County and shall be referred to the City of Newberg for a recommendation.

3. Zone Changes

The City of Newberg and Yamhill County recognize that each jurisdiction has authority to zone within its legal boundaries. However, the Urban Growth Boundary recognizes the eventual assumption of authority by the City of Newberg. Therefore, the following procedures are established:

- a. Zone change outside city limits but within the Urban Growth Boundary. Prior to filing an application with Yamhill County, the applicant shall apply for and receive a recommendation from the City of Newberg concerning the requested land use action. Requests shall be processed following the procedures outlined in the Addendum to this agreement, Section 2, item 5 (b). No fee shall be charged for processing a recommendation from the City of Newberg. Applications submitted without this recommendation will be deemed incomplete. Appeals of the NUAMC decision shall be heard by the Yamhill County Board of Commissioners.
- b. Inside city limits. The application shall be processed by the City of Newberg and shall be referred to Yamhill County for information and/or comment.

- c. Outside the Urban Growth Boundary but within the "Area of Influence". The application shall be processed by Yamhill County and shall be referred to the City of Newberg for information and/or comment.

4. Other Items Affecting Land Use

- a. Items having a substantial impact upon land use under the jurisdiction of Yamhill County within Newberg's Area of Influence shall be referred to the City of Newberg for information and comment. Items having a substantial impact upon land use under the jurisdiction of Yamhill County within Newberg's U.G.B. shall be reviewed by the City of Newberg. Prior to filing an application with Yamhill County, the applicant shall apply for and receive a recommendation from the City of Newberg concerning the requested land use action. Requests shall be processed following the procedures outlined in the Addendum to this agreement, Section 2, item 5 (b). No fee shall be charged for processing a recommendation from the City of Newberg. Applications submitted without this recommendation will be deemed incomplete. Appeals of the NUAMC decision shall be heard by the Yamhill County Board of Commissioners.

- c. Items having substantial impact upon land use under the jurisdiction of the City of Newberg shall be referred to Yamhill County for information and/or comment. ADDENDUM TO NEWBERG URBAN AREA GROWTH MANAGEMENT AGREEMENT

This Addendum to Newberg Urban Area Growth Management Agreement pursuant to Newberg City Ordinance #1967 dated July 2, 1979 (hereinafter “Addendum”) is made by agreement between Yamhill County (“County”) and the City of Newberg (“City”).

RECITALS

- A. The City and the County have previously entered into an intergovernmental agreement known as the Newberg Urban Area Growth Management Agreement (“NUAGMA”) pursuant to Newberg City Ordinance #1967 dated July 2, 1979 and Yamhill County Ordinance 214 dated June 20, 1979, setting forth their respective rights and responsibilities with respect to the Urban Growth Boundary (UGB) and Area of Influence.
- B. The County and the City have previously adopted an Urban Reserve Area for the City of Newberg as required by OAR Chapter 660, Division 21, as shown on their comprehensive plan and zoning maps, plan policies and land use regulations, to guide the management of these areas in accordance with the requirements of OAR Chapter 660 Division 21. Newberg City Ordinance 95-2397, Yamhill County Ordinance 596 (copies attached).
- C. The Urban Reserve Area is intended over time to be incorporated into an urban growth boundary. Because full urban services are not yet available in the area, urban level development is not permitted. Very limited rural development of property can occur in the area, but only when such usage is consistent with and does not impede the future urbanization of property.
- D. The purpose of this Addendum is to clarify planning and zoning intents and add provisions to the existing intergovernmental agreement for the purpose of satisfying the requirements of OAR Chapter 660, Division 21 relating to Urban Reserve Areas.

AGREEMENT

NOW, THEREFORE, the City and County agree as follows:

Section 1 Definitions:

- (1) “Urban Reserve Area” has the same meaning as set forth in OAR 660-021-0010 (1), and means lands outside of an urban growth boundary identified as highest priority for inclusion in the urban growth boundary when additional urbanizable land is needed in accordance with the requirements of Goal 14.

Section 2. Compliance with OAR Chapter 660, Division 21. In accordance with the applicable requirements of Chapter 660, Division 21, City and County agree as follows:

- (1) As required by OAR 660-021-0040(3):

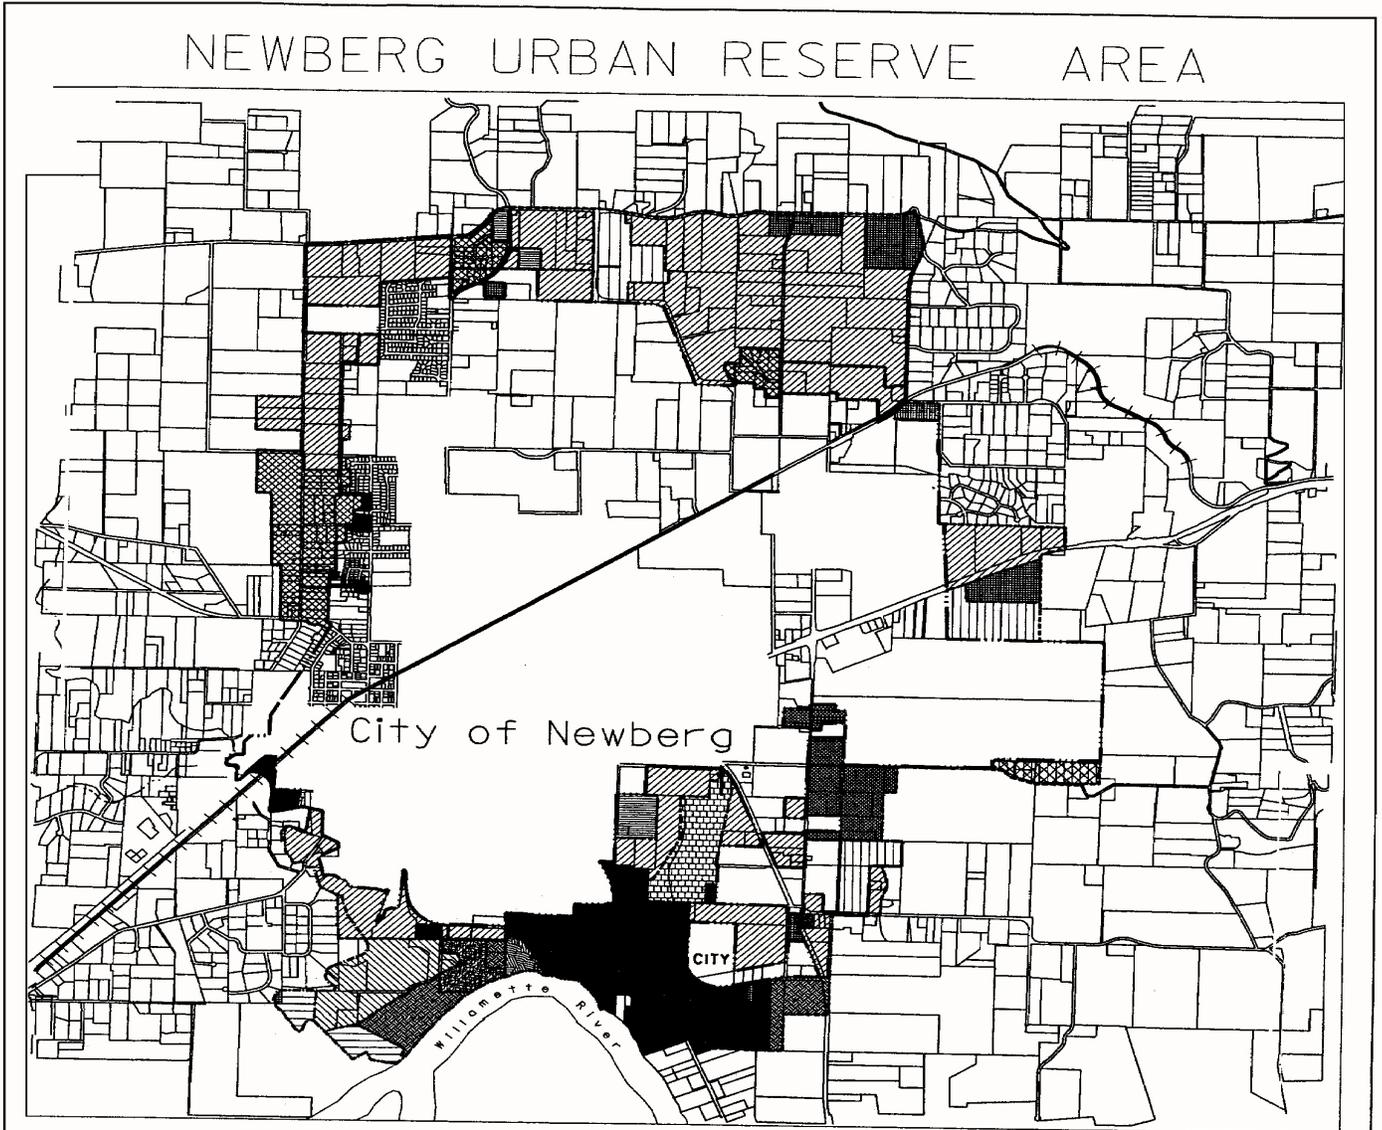

- (a) The County shall prohibit zone amendments allowing more intensive uses, including higher residential density, than permitted at the date of this agreement.
- (2) As required by OAR 660-021-0050(1), unless otherwise agreed to, designation of the local government responsible for building code administration and land use regulation in the URA shall be:
 - (a) Prior to inclusion within the UGB: County
 - (b) After inclusion within the UGB : County
 - (c) After annexation into the city: City
- (3) Designation of service responsibility, as required by OAR 660-021-0050(2):
 - (a) The local government or special district responsible for services (including sewer, water, fire protection, parks, transportation, storm water) for areas within the URA are designated and shown on map(s) attached hereto and incorporated herein as Exhibit "1A."
 - (b) The areas projected for future urban service responsibility after inclusion in the urban growth boundary are shown on map(s) attached hereto and incorporated herein as Exhibit "1A."
- (4) As required by OAR 660-021-0050(3), the terms and conditions under which service responsibility will be transferred or expanded, for areas where the provider of service is expected to change over time, is described in Exhibit "1B," attached hereto and incorporated herein.
- (5) As required by OAR 660-021-0050(4), procedures for notification and review of land use actions to ensure involvement by all affected local governments and special districts:
 - (a) Within the Urban Reserve Area, Comprehensive Plan Amendments, zone changes, and other applications affecting land use, including conditional use, PUDs, subdivisions and partitions, public improvement projects, health hazards, capital improvement programs and major transportation improvements, shall be processed by Yamhill County. Prior to filing an application with Yamhill County, the applicant shall apply for and receive a recommendation from the City of Newberg concerning the requested land use decision. Applications submitted without this recommendation will be deemed incomplete.
 - (b) Upon request or application for a recommendation on a requested land use decision in the URA, the City shall use the following procedures in developing a recommendation (see Exhibit 1C for criteria to be used by the City in the recommendation process):

- (1) Applicant shall file with the City a substantially complete Yamhill County application and include a future development plan as provided in this agreement.
- (2) The City staff or City Council may refer the application to the City Planning Commission for a recommendation to the City Council.
- (3) The recommendation to Yamhill County shall be from the City Council.
- (4) Notice of any hearings shall be to the general public and any hearings shall be legislative in nature. Additional notice may be provided as the City deems necessary. This shall not be a quasi-judicial hearing since the City of Newberg is making a recommendation.
- (5) The City of Newberg shall furnish to the applicant its recommendation to Yamhill County within 60 days of the date that the request for recommendation is filed with the City of Newberg. City staff may request additional information from the applicant concerning the application prior to making a recommendation. Unless otherwise agreed between City and applicant, failure to furnish the recommendation within 60 days will waive the requirement to have a recommendation accompany the application.
- (6) The City reserves the right to make additional recommendations and comments concerning the application to Yamhill County during the Yamhill County process.
- (7) Nothing in this agreement limits the rights of either party in participating in the land use process before either jurisdiction.
- (8) Nothing in this agreement shall be construed as mandatory county approval criteria.

Section 3. In all other respects, the Newberg Urban Area Growth Management Agreement shall remain in full force and effect.

Section 4. Effective Date. This Addendum becomes effective on November 2, 1998.

In order to provide the Board with advance notice of a proposed annexation, the findings adopted by the City Planning Commission shall be referred to the Board following the Planning Commission action.

- C. Service Expansion Plans. Service expansion plans shall be consistent with the Newberg Urban Area Growth Management Agreement. As the future provider of sanitary disposal, storm water and water services, the City shall prepare and from time to time update utility expansion plans. These plans shall provide a basis for the extension of services within the Urban Growth Boundary, and as such shall be referred to Yamhill County for information and comment.

- D. Transition Policies Relating to Service Responsibility
 - 1. Sanitary Sewer Service There will be no public provider of these services until City services are available, except in the case of a state mandate due to a health hazard. At the time of annexation, the City will require hook-up to City sanitary sewer services. Nothing in this provision shall limit the ability of individuals to provide services on their own private property within the Urban Reserve Area.

2. Potable Water Service The City of Newberg shall be the sole and only public provider of water in this area, except for existing water districts, unless new districts are expanded or created through mutual agreement by the City and the County. Nothing in this provision shall limit the ability of individuals to provide services on their own private property within the Urban Reserve Area.
3. Fire Protection The Newberg Rural Fire District provides fire protection services to property within the Urban Reserve Area and the Urban Growth Boundary. The City will provide fire protection services to property within the city limits.
4. Parks and Recreation Chehalem Park and Recreation District and Yamhill County provide park and recreation services within the Urban Reserve Area and the Urban Growth Boundary. Chehalem Park and Recreation District and Yamhill County will remain providers of these services within the city limits unless agreed otherwise.

Yamhill County policies for transfer of jurisdiction are outlined in the Yamhill County Transportation System Plan Section 5.1, Policy 1.5, and Section 5.2.2, Goals and Policies 4, 5, 6 (See attachment Exhibit 1. B.). In summary, the policy is to transfer jurisdiction and maintenance responsibilities to the city upon annexation and improvement to City standards.

Roads in the Urban Reserve Area ultimately are to be developed to City standards. Development in the Urban Reserve Area shall provide adequate transportation facilities to serve the development as provided in Yamhill County ordinances.

The Oregon Department of Transportation provides transportation services on state highways within the Urban Reserve area. The department retains jurisdiction and maintenance responsibilities on all state highways after incorporation into the UGB and annexation except in special cases where jurisdiction is transferred to the City or County by a specific agreement.

6. Storm Water Management Yamhill County provides public storm water management services to property where required within the Urban Reserve Area. The City will provide storm water management services to property within the city limits. Transition of public storm water management services will follow transition of road maintenance responsibilities.

ATTACHMENT TO EXHIBIT 1B

County Transportation Plan (Page 73): The Transportation System Plan (TSP) of Yamhill County provides in Section 5.1, Policy 1.5, Section 5.2.2, Goals and Policies 4, 5, and 6 as follows:

Yamhill County TSP Policy 1.5. *The lead agency for transportation project review shall be:*

- a: Yamhill County for facilities outside the UGBs*
- b. The affected city for facilities within the UGBs*
- c. The State of Oregon. Yamhill County and affected cities on projects involving state-owned facilities.*

Yamhill County TSP Policy 4. *It is the policy of Yamhill County to coordinate the County Transportation System Plan with the transportation plans of the ten incorporated cities within Yamhill County. The County will emphasize continuity in the classification of roads and appropriate design standards for roadways which link urban areas with rural areas outside Urban Growth Boundaries. At the time of UGB amendment Yamhill County and the City involved shall agree on classification and design standards of all County Roads within the proposed UGB area prior to finalization of the amendment.*

Roads shall be upgraded at the time of annexation, or the developer shall sign an agreement with the City to upgrade the road, at the time of development. Transfer of jurisdiction shall require the approval of both the County and the City, in accordance with provisions in Oregon Revised Statutes 373.270.*

Yamhill County TSP Policy 6. *It is the policy of Yamhill County to require the transfer, or an agreement to transfer with specific time lines and milestones as part of the agreement, jurisdiction of County roadways within urban growth boundaries to their respective cities at the time of annexation.*

EXHIBIT 1C
CRITERIA AND SUBMITTALS FOR CITY RECOMMENDATION
REGARDING DEVELOPMENT IN THE URA

A. Criteria: Generally, the following criteria will be used by the City of Newberg in developing City recommendations regarding land use development in the Urban Reserve Area. It is the City's intent to recommend that the County only allow development in the Urban Reserve Area that is limited in scope and that is consistent with the future urban development of the property.

1. Future Development Plan: The City Council shall recommend approval, recommend approval with conditions, or recommend against the future development plan in accordance with the following criteria:
 - (a) The current development shall not cause more than 10 percent of the property to be used for site improvements including buildings, parking areas, improved recreation areas, and storage areas, unless the City agrees the development intensity will not prohibit future urban development.
 - (b) The future development plan shall allow for the efficient future urban development of the remainder of the property. It shall allow for construction of future urban streets and utilities, and shall allow for required setbacks to current and future property lines.
 - (c) The plan is consistent with adopted plans and policies for the area, such as street or utility plans and policies in this agreement.
2. The City may recommend that the application be approved with conditions, which may include, but are not limited to: an agreement to annex, a deferred improvement agreement for future public facilities; construction of necessary street improvements, storm drains, or other public facilities; dedication of right-of-way, easements for utilities; special setbacks from planned right-of-ways.

B. Submittal Requirements

1. A future development plan shall be required for any development in the Urban Reserve Area requiring a Yamhill County Type B or Type C review, excluding any development that involves a change in use to existing buildings only. The future development plan shall be used solely to evaluate the current proposal's compatibility with potential future urban development. It does not bind or commit the applicants, property owners, review bodies, or governing bodies to approve or carry out the proposed future development.
2. The future development plan shall show how the property could be fully developed when incorporated into the city. The plan shall be drawn to scale and shall include the following:
 - (a) The location of potential future streets within and surrounding the site.

- (b) The location of potential future sewer, water, and storm drainage facilities within and surrounding the site.
- (c) The location and approximate dimensions of potential future lot lines.
- (d) Setback lines for proposed structures from current and proposed property lines.
